

Bringing Art Back to Business

SureWest Directories is proud to support artists in our community and would like to invite you to participate in our directory cover art program "Bringing Art Back to Business". Our Program will showcase artists in the communities we serve as well as enhancing the design of our premier publications.

This unique campaign features a cash award of \$500.00 along with a complimentary full page advertisement to use either promoting the winning artist or an affiliated gallery. A biography with a photo of the winning artist (optional) will appear in the first page of the community section in the front of the directory.

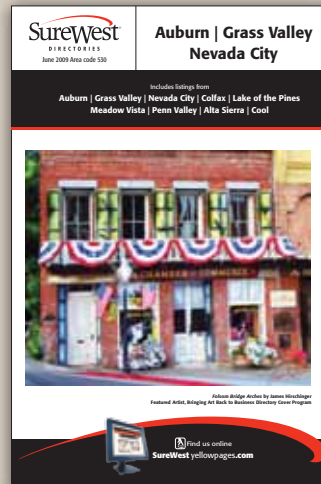

In following with our tradition, we strongly encourage submissions to be recognizable landscapes, or objects found in the area our book is being distributed. Unless previous arrangements have been made, a limit of three submissions are allowed.

All submissions for consideration must be two dimensional digital files and may be low resolution (72 dpi) until the final artwork is chosen. After that a high resolution image (300 dpi) must be provided for print.
